

Task 11 — Build 3 Personal Reusable Prompt Templates

Template 1 — Task

Work email

Context

I need to send a recurring [TYPE] email about [TOPIC].

Role

Act as a professional assistant.

Task

Write a [TYPE] email to [PERSON] about [TOPIC].

Format

Use a [TONE] tone and a clear subject.

Constraints

Keep it under [WORDS] words and do not add private information.

Full Prompt

I need to send a recurring [TYPE] email about [TOPIC]. Act as a professional assistant. Write the email to [PERSON] using a [TONE] tone, include a clear subject, keep it under [WORDS] words, and do not add private information.

Refinement

I added the tone and word limit.

Template 2 — Task

Code review

Context

I need to review [LANGUAGE] code.

Role

Act as a senior [LANGUAGE] developer.

Task

Review [CODE] for bugs, security and edge cases.

Format

Explain each problem, then show corrected code.

Constraints

Do not change unnecessary parts.

Full Prompt

I need to review [LANGUAGE] code. Act as a senior [LANGUAGE] developer. Review [CODE] for bugs, security and edge cases. Explain each problem simply, show corrected code, and do not change unnecessary parts.

Refinement

I added security and edge-case checking.

Template 3 — Task

Learning programming

Context

I want to learn [TOPIC].

Role

Act as a programming teacher.

Task

Explain [TOPIC] to a beginner.

Format

Give one simple example in [LANGUAGE] and explain it step by step.

Constraints

Use simple words and avoid unnecessary details.

Full Prompt

I want to learn [TOPIC]. Act as a programming teacher. Explain it to a beginner, give one simple example in [LANGUAGE], explain it step by step, and use simple words.

Refinement

I asked for a step-by-step explanation.
